**State Representative Dykema Celebrates Community and History  
at Southborough Heritage Day**

October 8, 2012

SOUTHBOROUGH - State Representative Carolyn Dykema joined elected officials and community members in celebrating Southborough Heritage Day on Monday. Following the parade, Representative Dykema continued to meet with residents during the field day events, including a stop at a luncheon at the Community House with Congressman Ed Markey.

“Southborough Heritage Day is a community tradition that I am proud to participate in,” said Representative Dykema. “Honoring our heritage, while also being able to support local organizations such as the Boy Scouts and the Southborough Fire Department, is one of the greatest privileges I have as State Representative.” Marching down Boston Road, Main Street, and Cordaville Road with over 40 volunteers and supporters, the Representative shook hands with and greeted her constituents all along the parade route.

“Carolyn Dykema has been an incredible leader in Southborough,” said community member Sabra Upjohn. “I’ve seen her at almost every local event I’ve gone to this year, talking to my neighbors and friends about their lives and the issues that affect us - no one else comes close.”

State Representative Carolyn Dykema was elected to the Legislature in 2008. She represents the 8th Middlesex District: Holliston, Hopkinton, and precincts in Southborough, Westborough and Medway. More information can be found on her campaign website: <http://www.dykemaforrep.com/>.
