Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions.

Surplus Revenue: (Often referred to as "Excess and Deficiency")

The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")

The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:

The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements granted and avoiding fractions.

Overlay Reserve:

This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into

the Reserve Fund.

Stabilization Fund:

An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just

at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a none-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:

This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both.

Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:

For land purchases and any other conservation use.

Introduction to the Rules of Town Meeting

TOWN MEETING

Southborough's Town Meeting is an open town meeting in which all registered voters may participate in the voting. The Meeting is a deliberative assembly, conducted in the democratic process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Town Clerk and the Moderator. Of these three the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the Meeting. He may also officiate at the Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is his responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Board of Selectmen. By state law, Town by-law, or custom several business articles such as budget appropriations must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the warrant, making recommendations on all the items of business to be presented. In accordance with the by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order.

PARTICIPATION

Anyone wanting to ask questions, make a statement, or otherwise participate in the meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, state your name and address and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks should be limited to the subject then under discussion. It is improper to indulge in references to personalities and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from the Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for speaking to or voting at the Meeting without disclosing that fact.

There is no fixed time limit to the debate of any question. However, each individual who speaks to the Meeting should make an effort to be as brief as possible, out of consideration for the others attending the Meeting and the need to give adequate time to all matters coming before it.

Introduction to the Rules of Town Meeting (continued)

Anyone who wishes to make a special presentation with respect to any article must, prior to the Meeting, inform the Moderator of the length of time required and the nature of the presentation in seeking his approval.

In order to give all a fair opportunity to speak, no one who has addressed the Meeting on any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

HOW ARE MOTIONS CLASSIFIED?

Main Motions

Motions of this group have for their object the bringing of questions, or propositions, before the Meeting for consideration. Only one main motion can be considered at a given time by the Meeting, and such a motion, when introduced, excludes all other main motions until it has been disposed of.

Subsidiary Motions

Motions of this group have for their object the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question before the Meeting, it is "in order" to propose them when a main motion is still before the Meeting and to vote upon them before voting upon the main motion.

Privileged Motions

Motions of this group have no connection whatsoever with the main motion before the Meeting, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of setting aside temporarily the main business before the Meeting.

Incidental Motions

Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name, "incidental," has been chosen because they arise only incidentally out of the business of the Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question before the Meeting for consideration. When put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless it is contained within a warrant article (main motion, take from the table, reconsider, rescind, advance an article, postpone indefinitely or postpone to a time certain). Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the "scope of the article." That is, the motion and the debate must be relevant to the article as written in the Warrant. Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment is an amendment of the second rank; there can be no amendment beyond that of the second rank.

Some motions avoid a final determination by the Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote.

As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

Introduction to the Rules of Town Meeting (continued)

Motions to reconsider are in order and shall be entertained when moved by a person who voted on the prevailing (winning side) side of the original vote on the article. Articles may be reconsidered and defeated only once. A motion to reconsider, when passed by the necessary 2/3 vote, will bring the original article back to the floor (requires a new motion and additional debate) or, if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. The person making the motion for reconsideration is under no obligation to state why said article should be reconsidered (although informing the hall of a reason(s) is the usual process). Actions to reconsider can be taken at the same session or any subsequent session of the Meeting. A notice of reconsideration may be filed with the Town Clerk stating that, at a specific point during the current Town Meeting, a person will move for reconsideration on a particular article. The Moderator, when so informed by the Town Clerk of this pending motion, will inform the hall of said action.

All motions other than purely procedural motions must be in writing and signed by the sponsor.

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, whether the discussion is irrelevant, illegal or contrary to proper procedure.

QUESTION OF PRIVILEGE

A question of privilege most often relates to the rights and privileges of those in attendance such as asking the Moderator to quiet the meeting so that discussion can be heard.

PARLIAMENTARY INQUIRY

A parliamentary inquiry is a question directed to the Moderator to obtain information on a matter of parliamentary law of the rules of the Meeting bearing on the business at hand. It is the Moderator's duty to answer such questions when it may assist a voter to make an appropriate motion, raise a proper point of order, or understand the parliamentary situation or the effect of a motion. The Moderator is not obliged to answer hypothetical questions.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

Voting is by hand vote and the Moderator declares the results of such votes. If seven or more registered voters immediately question the vote, so declared, the Moderator shall determine the results by a standing count of votes by the tellers. After the vote, as counted by the tellers, is presented to the Moderator and announced to the floor, any further motions for recount are out of order. Moreover, the Moderator may disallow the request for a count if he believes the voice was beyond a reasonable doubt.

If a law or by-law requires more than a simple majority for action by the Meeting, the Moderator may first determine whether the vote is unanimous. If the vote is not unanimous, the voters shall be counted by means of a standing vote.

ADJOURNMENT AND DISSOLUTION

Sessions of the Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as the Meeting upon vote of the majority may determined.

The Meeting shall not dissolve until all articles in the warrant have been properly considered.

This need is likely to occur on an evening or weekend basis as the need requires. There is no provision to accrue compensation time in lieu of payment.

SECTION 7. ADJUSTMENT & COMPENSATION POLICIES

a. Every employee that is in Continuous Full-Time or Part-Time service of the Town, as computed from the date of their latest employment, shall be eligible annually for consideration of a merit increase, one year from the date of his/her latest increase. Except as may be authorized by the Personnel Board in exceptional circumstances, such increase is not to exceed one increase in any single twelve-month period until the maximum of the grade is obtained, and such increase shall be subject to the recommendation of the Department Head, with the approval of the Board of Selectmen or their designated appointee, or the appropriate Commissioners or Trustees.

Retroactive merit increases voted by the Personnel Board shall not be compensated beyond July 1 of that fiscal year, regardless of the funding mechanism.

An evaluation of the employee's performance, in a format approved by the Personnel Board, must accompany a request for an increase. Upon receiving such documentation, the Personnel Board shall have final review and approval of all adjustments which exceed the annually approved percentage for that fiscal year. Any such evaluation which requests an increase that matches the normal adjustment annually approved by the Personnel Board, may be processed by the Assistant Town Administrator/Human Resource Director.

An employee may appear before the Personnel Board prior to its action on any request for a merit increase. Any employee denied such an increase may appeal, in writing, to the Personnel Board, which shall confer with the employee, **Assistant Town Administrator/Human Resource Director**, the Department Head and the Board of Selectmen or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

b. Regular Part-Time employees shall be eligible for consideration for merit increases within their grade one year from the date of their last increase.

c. Special and other Part-Time personnel for whose positions there is a single rate established in Schedule D shall not be eligible for adjustment.

SECTION 8. TRANSFERS AND PROMOTIONS

a. An employee who is promoted to a job with a higher range or rate of pay shall enter it at the rate recommended by the Department Head with the approval of the Personnel Board. The employee may also receive at the time an increase, provided the maximum for the job is not exceeded, if the Department Head recommends that qualifications and performance warrant it and the **Assistant Town Administrator/Human Resource Director** approves. **The Assistant Town Administrator/Human Resource Director**, **in concurrence with the Department Head, may approve** a probationary period in the new job (which shall not exceed six months).

b. An employee transferred to a job with a lower range or rate of pay shall enter it at the rate paid for the previous position or at the maximum rate for the job, whichever is the lower, provided the **Assistant Town Administrator/Human Resource Director** approves. The employee shall have a right to appeal this decision, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the **Town Administrator**, or the appropriate Commissioners or Trustees, and shall decide the matter.

SECTION 9. NEW PERSONNEL

a. Pre-employment physical examinations will be required of newly-hired employees consistent with the Town's policies.

b. A new employee's hiring rate up to the mid-point of the hiring range shall be set by the Town Administrator. Requests to set a hiring rate beyond the mid-point shall be recommended by the Assistant Town Administrator/Human Resource Director and subject to approval by the Personnel Board.

c. For new hires, the first six months of employment shall be a probationary period at the end of which the employee may receive a merit increase based on the approved annual percentage set by the Personnel Board, provided that the Department Head recommends and the **Assistant Town Administrator/Human Resource Director** has approved it. Any increase in excess of the approved annual percentage must be authorized by the Personnel Board. This probationary rate increase shall apply only at the start of employment and shall not apply in case of transfer or promotion from one job to another. The effective date of the new position shall then become the employee's new anniversary date for merit increases. [Longevity and paid leave accruals shall be based on the original hire date]. During any such probationary period, benefit eligible employee(s) nevertheless will earn vacation, sick and personal time in accordance with Section 11(b) hereof.

d. The employee shall thereafter be reviewed for a rate increase one year from the date of the employee's latest increase, based on a **completed** performance evaluation.

SECTION 10. DEPARTMENT BUDGETS

Each Department Head shall include in the annual departmental budget a pay adjustment section to provide funds for all anticipated pay adjustments, with expenditures to be made only in accordance with this Salary Administration Plan and with the approval of the Personnel Board. Degree bonus [Sec 11i (1)] funds shall also be budgeted in the departmental budget.

SECTION 11. EMPLOYEE BENEFITS

Employee benefits are a cost to the Town and a form of "indirect pay" to employees. The benefits listed below are not intended to supersede what State or Federal law may otherwise require.

All forms of paid leave set forth in the SAP may represent a 40 hour work week; in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated benefit shall be pro-rated reflective of the approved hours per week for that position.

a. Holidays with Pay

Each eligible Employee shall receive one day's pay at their regular rate for the following:

	Day before or after Christmas Day (as set by the Town
	annually)

To be eligible for holiday pay, an Employee must work (or be duly excused from working) their regular scheduled days preceding and following the holiday. Employees who do not work 20 hours or more per week on a regular basis shall not be compensated for holidays.

Employees whose regular day off falls on a holiday may have one day off with pay within the ensuing thirty days in lieu of holiday pay, with the specific choice of day subject to Department Head approval. Furthermore, the day granted in lieu of holiday pay shall not cross fiscal years.

At the recommendation of the hiring authority and upon the approval of the Personnel (2)Board, new employees entering into a position with the Town of Southborough from a similar position in another municipality or similar government agency will be allowed to enter into the vacation schedule using their years of service from their prior employment, up to a maximum of three week's vacation [pro-rated] for the first year of employment with the Town. Employees commencing employment with three weeks per year will be required to complete five years of service before ascending to the next band in the vacation schedule chart.

The probationary period for new hires would still apply.

(3) Vacation shall be granted by Department Heads at their discretion subject to the regular work needs of the department. An employee shall be permitted to carry over to the following year one year's worth of earned vacation. The employee must have the Department Head's approval to take any portion of a prior year's unused vacation in addition to the days earned in the current fiscal year.

If in the opinion of the Department Head there are unusual work-related circumstances that (4)warrant it, a department head may seek approval from the Town Administrator, to allow the employee to continue to work and receive vacation pay in lieu of taking vacation. Approval granted in this section may not exceed ten days per fiscal year.

(5) In the event of termination of employment other than for cause, the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation time. Personal and sick leave shall not be compensated at termination.

Sick Leave c.

Pay for each day of sick leave shall be at the regular rate. Absences on account of sickness in excess of that authorized shall be charged to vacation or other available paid leave. Sick leave shall be payable only in cases of genuine illness, non-work connected accident, or work connected accidents not covered by Massachusetts General Laws Chapter 152 (Workers' Compensation).

(2) Unused sick leave may be accumulated without limitation for employees hired before July 1, 2007. Employees of the Town of Southborough hired on or after July 1, 2007 may only accrue 120 sick days at any one time. At retirement [or death] only, the Town will pay the employee twenty percent (20%) of the employee's then-accumulated sick leave.

(3) Employees who because of genuine illness or a non-work connected accident are absent for a period of more than three days shall be required to present a doctor's certificate to their Department Head before returning to work stating the reason, the period of time the employee was absent and whether there are any physical restrictions or required outpatient services the employee must adhere to in the workplace.

(4) Annually, an employee may use up to seven of the allowed fifteen days of sick leave for the care of a sick family member.

d. Personal Days

Each employee shall be entitled to three personal days per year, to be granted annually on the anniversary of the employee's date of hire. New employees shall be granted three personal days which shall be pro-rated based on hours worked per pay period. Requests for personal days shall be approved by the Department Head. Personal days shall not accumulate from year to year.

e. Military Leave

(1) <u>Reserve Duty:</u> An employee in full-time employment in the military reserve shall be paid the difference between compensation received while on reserve duty and regular compensation rates paid the employee by the Town. Such payment by the Town shall be limited to a period not to exceed two weeks in any twelve-month period.

(3) Approval Procedure: Town funds must first be appropriated by Town Meeting in the Personnel Board's fiscal year budget. If funds are appropriated, then no later than August 31st of each year interested employees shall advise **the Assistant Town Administrator/Human Resource Director** in writing of their interest in **registering for** courses during the fiscal year, detailing the cost of tuition. Thereafter the **Assistant Town Administrator/Human Resource Director** will review all such requests based on available funds and authorize reimbursements based on the number of requests.

(4) Reimbursement: If an employee resigns employment within twelve months of such reimbursement, the employee shall be responsible to repay the amount paid to them by the Town.

Such three-month period may be extended for up to three additional three-month periods, upon the approval of the Board of Selectmen or other appropriate board or commission for each such extension. In no case shall an appointment of an "Acting" Department Head exceed one year.

b. Duly appointed "Acting" employees shall be compensated at an additional 10% per week, payable retroactively only upon the conclusion of three consecutive weeks of service by the "Acting" employee. Such employees shall still be eligible for overtime pay when fulfilling regular duties from the previous job beyond normal working hours.

SECTION 15. PERSONNEL BOARD

a. There shall be a Personnel Board to administer the Salary Administration Plan. Said Board is to be appointed by the Town Moderator. The Board shall consist of five voters other than employees of the Town or those regularly serving the Town in any elective capacity. They shall serve without compensation.

b. Other than as may be needed to fill unexpected vacancies, appointments shall be for three years. The Moderator shall fill any vacancies. The Personnel Board may employ assistance and incur expenses as it deems necessary, subject to appropriation of funds thereof.

Such records are to be kept by the Assistant Town Administrator/Assistant Town Administrator/Human Resource Director, under the direction of the Personnel Board. Department Heads shall furnish such information as requested by the Board.

d. The Personnel Board shall from time to time, but no less often than every federal election year, review the Classification Schedule, Salary Schedules, and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the Town, and shall recommend to the Town any action that the Board deems desirable in that regard. The Personnel Board may tentatively add a new class to the Classification Schedule or reallocate an existing class to a different compensation grade, either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting.

e. Between November and January of each fiscal year, the Personnel Board may vote an annual adjustment (but shall reserve the right to vote no adjustment) to the Classification Schedule and establish the effective rate for employees of each grade for the next fiscal year, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Town Meeting. The Personnel Board shall base any annual adjustments upon available relevant information; **approval of the rate for any given employee is not guaranteed and is driven by the annual performance evaluation.**

One of the duties of the Board shall be to foster mutual understanding and good will with the personnel of the Town.

b. To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, the employee shall first discuss the matter with the Department Head, in a mutual effort to clear up any problems or misunderstanding.

c. If two weeks after such a conference a satisfactory understanding and solution of the problem has not been reached, then either the Department Head or the employee may take the matter to the Personnel Board, and the Board shall hear the parties not later than at its next regular meeting. There shall be no discrimination or prejudice by a Department Head against any employee who may take a matter to the Board.

SECTION 18. AMENDMENT OF THE PLAN

Board of Selectmen Recommendation: Support Advisory Committee Recommendation: At Town Meeting Summary:

A. This article will provide the funds needed to replace glass, seals, and screens in the windows located in the administrative section of the D.P.W. complex, make repairs to and repaint the exterior of the D.P.W. Building, and install 3 new large overhead doors to allow for the storage of larger equipment in the apparatus bay.

B. This article will provide the funds needed to purchase a new Chevrolet K2500 Silverado Pickup Truck with Plow to replace a 1999 Chevrolet Silverado 2500 Pickup Truck with 112,000+ miles. The 1999 Silverado has well surpassed its useful lifespan, as it is mechanically unreliable and has severe frame and body rot issues.

C. This article will provide the funds needed to purchase defibrillator units and related equipment to be located in the Town Hall, Library, Cordaville Hall, The D.P.W., and South Union School.

D. The fire department currently has (12) SCBA cylinders that have reached the useful life and must be disposed of. Eight of the replacement cylinders will be 45 minute cylinders to keep with the current cylinders used by the department and four will be (1) hour cylinders for extended operations and rapid intervention. These cylinders will replace the ones currently on the SCBA's on the apparatus.

E. The fire fighters currently have a primary and a secondary set of turnout gear in the event that one set is not useable because of contamination and cleaning after a fire, damage from use, or damage beyond repair. The second set allows a fire fighter to have personal protective gear and ready to respond to emergencies. Without a secondary set of gear a fire fighter may be out of service until he/she gets the gear cleaned or replaced. If that is the case another fire fighter may need to work in his/her place causing an unnecessary expense to the Town and department.

The second set of gear also is in keeping with current standards to reduce the risk of exposure to carcinogens from the products of combustion by allowing firefighters to immediately be able to have a clean set available. It also reduces potential exposure to the public if firefighters respond to routine calls in the home with contaminated gear.

F. The Commonwealth of Massachusetts Office of Emergency Medical Services has mandated the use of mechanical IV pumps to administer certain medications during transport to the hospital. The mandate requires that ambulances licensed at the paramedic level be equipped with these devices by December 31, 2017. Purchase of these items will allow for compliance prior to that date.

G. This is the annual request for road maintenance in conjunction with Chapter 90 funding.

H. This will provide funding to change the pick-up bed of a water truck to a utility body.

I. This will provide funding for the Water System Master Plan which is due for an update in FY18.

J. This will provide funding for emergency tree work to handle tree and limb removal required on trails and Town owned land after weather incidents such as microbursts, hurricanes, and ice storms.

K. This will provide funding to continue the efforts begun under a Community Compact grant from the Commonwealth for digital preservation of Town records. Initial efforts have been made to identify the records that the Town has in its possession in the Town House, and recommend implementation plans for better storage and retrieval of those records.

ARTICLE 10: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ¹/₂ to authorize and/or reauthorize the use of a revolving fund for the following purposes:

- 1. Immunization/emergency dispensing clinic and any declared emergency for the Board of Health to a maximum of \$12,000.
- 2. Inspection services for the Sealer of Weights and Measures, Plumbing Inspector and Wiring Inspector for receipts to a maximum of \$100,000.
- 3. Department of Public Works for 9-11 Field Maintenance and usage to a maximum of \$50,000.
- 4. Local Wetland Filing fees for Conservation Commission departmental and consultant costs for review, issuance and monitoring of projects to a maximum of \$30,000.
- 5. Public Safety and Public Works departments for responding to incidents involving hazardous material to a maximum of \$75,000.
- 6. CPR classes by the Fire Department for the cost of running CPR classes to a maximum of \$6,500.
- 7. Conservation Commission for the cost of running the community garden to a maximum of \$1,500.
- 8. Recreation Commission for a portion of recreation program costs to a maximum of \$342,094.
- 9. Tobacco Control Program to allow the Board of Health to conduct periodic compliance checks with vendors to a maximum of \$4,000.
- 10. Technology fee from permits for the annual costs of municipal licensing/permitting software to a maximum of \$40,000.

, or do or act anything in relation thereto.

ARTICLE 23: To see if the Town will vote to adopt as Chapter 9, Article VIII §9-29 through §9-33 of the Town bylaws, the following:

§9-29 Purpose

Article VIII Municipal Technology Committee

Because a wide range of technologies play an increasing role in the lives of the Town's citizens and the work of its employees, the Town needs a coordinated approach to their adoption and use. As more fully described in the remainder of this Article VIII, this article establishes a committee that will be responsible for creating a rolling five-year Strategic Plan for the Town's technologies across all government entities, and will ensure consistent interpretation and execution of that plan. The committee will work in collaboration with the various government entities that use/propose technologies. It will report on the plan to the Town Meeting and advise Town Meeting on proposed expenditures for technology.

§9-29-A Establishment; Membership; Qualifications

There shall be a Municipal Technology Committee ("MTC"), which shall consist of five voting members and the non-voting ex-officio members identified below.

Each voting member shall be a resident of the Town and shall not be a Town officer or employee. Each voting member shall have significant relevant professional experience and knowledge of one or more of the Technologies used, or proposed to be used, by the Town.

The voting members shall be appointed as follows: two by the Board of Selectmen, two by the School Committee, and one by the Library Board of Trustees.

§9-29-B Appointments; Terms; Vacancies; Removal

Voting members shall be appointed for three-year terms. The initial appointments shall be two members for three years, two members for two years, and one member for one year, so as to establish overlapping terms. For subsequent appointments, the appointing authority shall request that the MTC review the qualifications of prospective appointees, but the final determination of who is selected shall rest with the appointing authority.

Any voting member who shall remove from the Town, resign, or die shall cease to be a member. When notified that any voting member has failed to faithfully discharge his duties, or has failed without good cause to attend at least three quarters of the full MTC meetings held in any six month interval: the respective appointing authority shall promptly give notice, hold a hearing and determine whether such member shall be removed from the MTC. In any case of a vacancy in the voting membership, the respective appointing authority shall, within thirty days, appoint a replacement for the balance of the unexpired term.

Regular ex-officio (non-voting) members may be appointed as follows: one each by The Board of Selectmen, the School Committee, the Library Board of Trustees and the Board of Health. ("Boards") Regular ex-officio members serve at the pleasure of their appointing authorities, and may be non-resident Town officers or employees. They shall be the persons most responsible for Technology used by their respective Board.

Additional ad-hoc ex-officio (non-voting) members may be added by the Boards, but only with the consent or by the request of a majority vote of the MTC. Such ad-hoc members serve at the pleasure of the appointing authority and of the MTC on a temporary basis for so long as needed by the business of the MTC. They may be non-resident Town officers or employees.

§9-29-C Organization; Meetings

The members shall select, from among themselves, a Chairman and a Secretary. The MTC shall promulgate such rules of procedure as may be reasonable and useful for its efficient operation, and may from time to time amend these rules by a majority vote of the members. These rules shall specify that non-voting members have the right to full participation in all deliberations, except as may be restricted by applicable law. No amendment to the rules shall be considered without prior notice to all members.

The MTC shall ordinarily and preferentially meet in the Town, but may conduct meetings, investigations or inspections within the scope of its duties and authority anywhere, subject to standard Town travel budgets and policies.

The MTC may appoint from its own membership subcommittees and delegate to them such of its powers as it deems expedient.

All reports and recommendations of the MTC made to the Town shall be voted by a majority of the voting members of the MTC, but this shall not be construed to prevent recommendations by a minority nor to discourage full participation by the non-voting members.

§9-29-D Staffing

Subject to available funding, the MTC shall have the authority to engage consultants (paid or volunteer) ("Consultants") when its membership does not include the expertise necessary to evaluate specific projects. The MTC may direct Consultants to act to investigate and/or to report to the MTC on Technology and/or its use, proposed use, or discontinuance in the Town. When the MTC determines that a Consultant reasonably requires the assistance of a Technology Manager to complete a task assigned to him by the MTC, the MTC shall deliver a request for assistance to either the Technology Manager or to the Technology Manager's supervisor. All reasonable requests for assistance shall be approved by the Technology Manager or the Technology Manager's supervisor. The MTC may accept a reasonable alternative approach suggested by the Technology Manager or the Technology Manager's supervisor. The MTC may not delegate its powers to Consultants.

The MTC shall have no permanent staff, but the Town Administrator shall provide reasonable administrative support.

The Town Administrator and ex-officio members shall provide reasonable access to other employees as may be requested by the MTC. Such access shall be subject to the approval of the affected employees' direct supervisor(s).

§9-29-E Funding

The MTC shall have a budget for Consultants and other expenses. It shall submit its projected expenses to the Town's regular budget process. Any expenditures from its budget shall require a majority vote of the MTC, and be subject to the Town's policies for such expenditures. Unless otherwise agreed or budgeted, expenses attributable to ex-officio members shall be paid by their respective appointing authorities. Expenses attributable to voting members shall be paid from the MTC budget.

§9-30 Functions and Definitions

The duty of the MTC shall be to recommend and document an overall technology strategy for the Town and to proactively lead the Town's development and implementation of this strategy.

Further, the MTC shall proactively advise the Boards, other Town Entities, the Town Administrator, and their designated employees ("Technology Managers") responsible for purchasing and utilizing technologies used to provide Town services.

In this Article VIII, "Technologies" include, but are not limited to: Information Technology/Data Processing equipment and Software, Computer Networks, Voice/FAX systems, Intelligent building control systems, SCADA, Mobile computing technologies (e.g. cellular telephones, tablets and laptops), Radio communications, Audio-Visual technologies, Emergency communications and future technologies as they arise.

In this Article VIII, the phase "Town Entities" includes any Town board, committee, or agency of Town government, or subsidiary organization of any of these, whether statutory, elected or appointed, that uses or proposes to use Technologies; and/or which expends or proposes to expend funds for Technologies and/or related services.

§9-31 Mission and Authority

The MTC shall, as more fully described in the entirety of this Article VIII, address matters of Technology in the Town, including but not limited to: information delivery; ensuring access to communications technology; increasing

the efficiency of transactions involving the Town; and ensuring the effective deployment of infrastructure for the Town's operations and the Town's citizens.

The MTC shall work to ensure that all Town Entities utilize technology in a common, effective and cost effective manner for the benefit of the Town, its operations and its residents.

§9-31-A Plans and Reviews

Technology Managers shall notify the MTC when any plan for adopting, discontinuing, expanding or reducing Technologies is being formulated and shall provide the MTC with the opportunity to participate in the development of such plans and to obtain and budget for any necessary Consultants. All such plans shall be timely submitted to the MTC for final review and comment prior to committing to their implementation. These reviews shall consider and identify: consistency with the Strategic Plan, opportunities for efficiencies and improved service, and impact on other Town Entities and the Town's citizens. The MTC may consider and identify other relevant issues and related matters during these reviews. These reviews shall be documented and considered by the Technology Managers and their respective Boards or Town Entities, which shall provide the MTC with their final plans and any subsequent changes thereto.

Notwithstanding the preceding paragraph, the MTC's rules of procedure may specify an exception process for emergencies significantly affecting service delivery and/or criteria that set a threshold for reviewing such plans, The MTC shall use reasonable judgment in establishing such process and/or criteria so as to balance operational efficiency with execution to the Strategic Plan.

The MTC shall have the authority to inspect and review, in conjunction with the Technology Managers, any of the Town's Technology-based processes, systems and operations to identify progress and issues with implementing the Strategic Plan. The MTC shall provide reasonable notice prior to such inspections and reviews.

The goal of all MTC inspections and reviews shall be to provide significant insight and advice that will improve consistency with and implementation of the Strategic Plan and which may provide for the successful implementation of projects.

§9-31-B Strategic Plan

The MTC shall provide strategic planning and advice to the Technology Managers, the Boards, other Town Entities and the Town Administrator. In conjunction with the Technology Managers, the MTC shall maintain a rolling five-year strategic plan ("Strategic Plan") for the Town's technologies, which shall be accessible to the public. The MTC may report on the Strategic Plan to Town Meeting.

The Strategic Plan shall consider, but is not limited to:

- a) capital requests for technologies, taking into consideration the goals of maximizing efficiency and cost effectiveness, removing unnecessary redundancy, and ensuring, to the extent reasonably possible, the compatibility of each request with other existing or proposed systems;
- b) the specifications to be considered for information and communications systems and other Technologies when constructing or renovating Town facilities;
- c) matters relating to information technology policy, specifically with reference to issues of security, privacy, risk, future technology, legal or regulatory requirements and the provision of government services to the public through information technology; and
- d) how to stimulate and support the development of appropriate technology initiatives and activities that may increase communication and information exchange within Town Entities, between Town Entities and its residents, and among Town residents.

In developing and maintaining the Strategic Plan, the MTC shall, to the maximum extent feasible, integrate its processes with those of any Town Entities that have or develop a strategic planning process, for Technology or otherwise. As may be agreed between such Town Entities and the MTC, the MTC may participate in the Town Entities' planning processes in order to maximize efficiency of all planning processes and to realize consistency with the Strategic Plan.

§9-31-C Limitations; Other Agencies

The MTC does not have the authority to direct or require that a Technology Manager, Board or other Town Entity make (or not make) a specific Technology-related decision.

The MTC shall not interfere with the School Committee's development or choice of instructional methods and curriculum nor with its selection of instructional materials, but the MTC shall have the same duties with respect to infrastructure planning and non-instructional systems as it does for the other Boards and Town Entities. The MTC may report to the School Committee on Technology issues and trends that may affect education, but such reports shall be informative, and shall not be binding on the School Committee.

The MTC may meet with other governmental agencies to discuss opportunities for interoperation, efficiencies or other synergies. Advisory Committee Recommendation: At Town Meeting

proposed, establishes a committee that will be responsible for creating a rolling five-year Strategic Plan for the Town's technologies across all government entities, and will ensure a coordinated approach for that plan. This bylaw will formalize the informal collaboration that already exists between the Town and School, and ensure that economies of scale are achieved whenever possible.

ARTICLE 24: To see if the Town will vote to authorize the Board of Selectmen to dispose of certain parcels of land with structures thereon deemed surplus property with no further public purpose, by deed of conveyance, grant or transfer after appraisals have been obtained and upon such terms and conditions as the Board of Selectmen deem appropriate. A. Purpose and Intent

The purpose of this section is to allow for and provide incentives for the adaptive reuse of Historical Buildings in a manner that ensures compatibility with their surroundings and that preserves their historical nature and appearance. This section is intended to promote the preservation of Historic Buildings by allowing Historic Buildings to be adapted for a purpose other than that for which they were originally built, thereby enhancing the community's appearance and preserving Southborough's architectural legacy for future generations.

The incentives of this Section 174-13.8 are allowed only by special permit from the Special Permit Granting Authority (SPGA), which shall be the Planning Board. Any disapproval by the SPGA shall include identification of any modifications to the plan that would make it acceptable to the SPGA if the Applicant subsequently decides to make a new application. This authority shall not eliminate, decrease or abrogate the powers of any other Town board, committee, commission or other authority having legal jurisdiction, except to the extent that such authority is specifically granted by this section. It shall be the duty and responsibility of the Applicant to secure any and all other permits, licenses and approvals necessary to the project.

(a) Purpose and intent. This section is enacted in order to serve the compelling interests of the Town to address possible public health, safety and quality of life effects related to the location and operation in the Town of recreational marijuana operations pursuant to M.G.L. c.94G, Section 3 and all other applicable provisions. This by-law provision establishes specific zoning regulations for the limited establishment of any registered marijuana establishment in appropriate places and under reasonable and practicable conditions, for marijuana products, marijuana accessories and marijuana cultivation and dispensing, all as defined in M.G.L. c.94G. It is the intent of this section to minimize adverse impacts on adjacent properties, residential neighborhoods, schools and other places where children congregate, and other land uses potentially incompatible with recreational marijuana activities.

(b) Applicability. The cultivation, production, processing, assembly, packaging, retail or wholesale, trade, distribution or dispensing of marijuana is prohibited unless permitted hereunder.

(c) Nothing in this § 174-9K shall be construed to supersede or preempt any federal or state laws governing the sale, distribution or consumption of narcotic drugs. If the application of any provision of this § 174-9K shall be determined to be invalid or unenforceable, the remainder hereof shall not be affected thereby and the provisions of this section are severable.

(2) Basic Requirements.

(a) The Board of Appeals as special permit granting authority may grant a special permit for a registered marijuana establishment only in the Highway Business District [as identified in 174-8.5C(14)], Industrial Park District [as identified in § 174-8.6C(15)], or Industrial District [as identified in § 174-8.7C(14)], and only upon compliance with the following requirements:

[1] No applicant shall have been convicted of violating the provisions of Massachusetts General Laws c. 119, § 63, or c.94C, or similar laws in other jurisdictions.

[2] The applicant has consented in writing to a criminal background check that includes jurisdictions beyond Massachusetts.

[3] A registered marijuana establishment and/or cultivation activities shall only be located (i) on property that borders Route 9, and (ii) not less than 1,000 linear feet from a property line of a school, recreational facility or day-care center, or any facility in which children commonly congregate [see definitions in § 174-9K(2)(c) below] located in the Town of Southborough, and (iii) not less than 100 linear feet from a property line of a residence located in the Town of Southborough, and (iv) not less than 1,000 linear feet from another medical or recreational marijuana facility. The required distances shall be measured from all property lines of the proposed facility.

[4] Any permitted registered marijuana site shall comply with the requirements of the Town's Sign Bylaw at all times and upon penalty of special permit revocation, shall not use any advertising material that is misleading, deceptive, false, or that is designed to appeal to minors. Off sight signage or advertising in any form (including billboards) is prohibited.

[5] No activities occurring nor products offered within or on the premises of a registered marijuana establishment shall be displayed in the windows or on the building thereof, or be visible to the public from the pedestrian sidewalks or walkways or from other areas, public or semi-public, outside such facility or premises.

(b) No person shall be deemed to have any entitlement or vested rights to permits issued under this by-law by virtue of having received any prior permit from the Town of any kind, including prior permits under this by-law.

(c) For purposes of this § 174-9K, the following terms shall have the meanings ascribed:

DAY-CARE CENTER: Any establishment, whether public or private, that provides care for children and is licensed by the Massachusetts Department of Early Education and Care.

RECREATIONAL FACILITY: A park, playground, forest preserve, conservation area, running trail or track, hiking trail, beach, wading pool, soccer field, baseball field, football field, basketball court, tennis court, hockey rink, dance or gymnastic studio, whether publicly or privately owned, to which the public has a right of access as an invitee.

SCHOOL: Any public or private educational facility that provides services to children in grades 12 or under.

(3) Term of special permit. Any special permit issued pursuant to this § 174-9K shall be valid for a period of two years from the date of issuance. Any renewal of a special permit shall be governed by the then-existing standards and procedures set forth in this by-law, and any regulations adopted pursuant thereto by the Board of Appeals."

Summary: This article **amends** Chapter 174-**Zoning** of The Code of the Town of Southborough, adding language regarding recreational marijuana, to **regulate** the operation of any marijuana establishment involved in the cultivation, testing, manufacture, distribution, or sale of marijuana for recreational purposes in all zoning districts within the Town of Southborough.

ARTICLE 34: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$20,500, for the Southborough Historical Commission to hire a historic preservation planner to write a nomination to the National Register of Historic Places; or do or act anything in relation thereto.

Board of Selectmen Recommendation: At Town Meeting

Advisory Committee Recommendation: At Town Meeting

Summary: The Southborough Historical Commission has been working on a project to create a National Register Historic District in the Main Street area. The National Register of Historic Places is the list of individual building, sites, structures, objects and districts deemed important in American history, culture, architecture, or archaeology. It's a federal designation administered by the Secretary of the Interior through the Massachusetts Historical Commission as the State Preservation Office. The nomination is required by Massachusetts Historical Commission to complete the process of establishing a national register historic district. Listing in the National Register recognizes the area's importance to the history of the community, state or nation.

ARTICLE 35: To see if the Town will vote to amend Chapter 41 of the Code of the Town of Southborough, Massachusetts, by adding a new section 41-23 entitled Electioneering prohibited, or to do or act anything in relation thereto.

§ 41-23 Electioneering prohibited.

Except as may be otherwise provided by any other general or special law of the Commonwealth, all candidates or their agents are expressly forbidden to remain within 150 feet of the entrance to a polling place or Town Meeting for the purpose of electioneering or greeting citizens or voters, or for petitioning or soliciting signatures for any purpose.

Board of Selectmen Recommendation: Support

Advisory Committee Recommendation: At Town Meeting

Summary: Current election laws governing activity within 150 feet of a polling place have no effect on Town Meeting or Early Voting since the state election laws only apply to polling places on Election Day. This article provides the same measure of protection and enforcement that applies on Election Day to activities at Town Meeting and Early Voting.

ARTICLE 36: To see if the Town will vote to amend Chapter 41 of the Code of the Town of Southborough, Massachusetts, entitled *Town Meetings* by striking in its entirety Section 41-2 *Notice of Meeting* and replacing it with the following language:

41-2 Notice of Meeting.

Notice of every Town Meeting shall be given by posting attested copies of the warrant therefor on the Town website, at the Town Hall, the Library, the Senior Center, and in at least 3 other public places in each precinct as the Town Clerk shall determine, seven days at least before the time appointed for such meeting.

,or do or act anything in relation thereto.

Board of Selectmen Recommendation: Support

Advisory Committee Recommendation: At Town Meeting

Summary: This article ensures that the warrant be posted in sufficient places to notify residents, and it deletes the existing requirement that the warrant be posted at specific locations in Town, including Fayville Hall, a Town owned building with minimal visitors.

ARTICLE 37: To see if the Town will vote to delete in its entirety Chapter 16 Section 4 of the Code of the Town of Southborough, Massachusetts *Annual Debtors List*, or do or act anything in relation thereto.

Advisory Committee Recommendation: At Town Meeting

Summary: This article deletes the existing requirement of Chapter 16 Section 4 that "On January 15 of each year, every Town officer or board shall furnish the Board of Selectmen with the names of all persons, firms or corporations indebted to the Town and the amounts owed by them, and said Board of Selectmen shall cause such lists to be published in the Annual Town Report. The Board of Selectmen may institute appropriate proceedings to collect the same." The Town has not followed this practice in recent history, so this article simply deletes a requirement that has not been followed.

ARTICLE 38: To see if the Town will vote to accept the provisions of MGL 53, Section 9A, which states:

Section 9A. In any city or town which accepts this section, in a city by vote of the city council subject to the provisions of its charter, and in a town by vote of the town meeting, the following provisions shall apply with respect to nomination papers:

The final date for obtaining blank nomination papers for nomination to city or town office shall be forty-eight week day hours prior to the hour on which nomination papers are required to be submitted to the registrars of voters for certification.

Each candidate shall file with the city or town clerk, prior to obtaining blank nomination papers, a statement containing his name and address, and the city or town office for which he intends to be a candidate.

No candidate for city or town office shall receive more blank nomination papers than will contain the number of signatures required to place his name in nomination, multiplied by five.

, or do or act anything in relation thereto.

Advisory Committee Recommendation: At Town Meeting

Summary: This article permits candidates for public office to obtain nomination papers up to 48 hours before the deadline to submit the nomination papers to the registrars of voters for certification. This article simply codifies the practice in Southborough.

ARTICLE 39: To see if the Town will vote to amend Chapter 41, Section 6 of the Code of the Town of Southborough, Massachusetts, by identifying the existing text in its entirety as Chapter 41 Section 6, subsection A, and inserting the following text as subsection B:

B. On Town Meeting matters requiring a two-thirds vote by statute, the Town Moderator may declare the two-thirds vote without taking a count, and said declaration shall take the place of the statutory counted vote; provided that the vote so declared is not immediately questioned by seven or more voters as provided in Chapter 39, Section 15 of the General Laws. If the vote is questioned, the Moderator shall immediately put the question to another vote and take a count which shall then be recorded by the Town Clerk.

, or do or act anything in relation thereto.

Board of Selectmen Recommendation: Support

Advisory Committee Recommendation: At Town Meeting

Summary: This article will save time at Town Meeting by allowing the Moderator to declare a two-thirds vote in situations where there is clearly a two-thirds majority. Several types of articles voted at Town Meeting require a two-thirds vote for passage. Frequently, it is very clear that the article passed by more than a two-thirds majority but

the Attorney General requires that the vote be recorded by a count unless the Town has a bylaw in place that allows the Moderator to declare a two-thirds vote. Any seven voters could still question the Moderator's declaration of a two-thirds vote and a hand count would be taken.

ARTICLE 40: To see if the Town of Southborough will vote to require that any warrant article or presentation at town meeting for the acquisition of St. Marks golf course on Rote 85 Southborough, Mass. Has a concurrent presentation of alternative locations and cost comparisons for building any new fire, police stations or other municipal buildings. Alternative locations are to include the current existing location of the fire and police station as well as the properties across the street from the St. Marks golf course starting at Cordaville Hall and all the properties to the North on Route 85 to the intersection of Main Street (route 30) across the Street from the Southborough Library, or do or act anything in relation thereto.

Residences containing apartments shall be counted as one-family houses for the purposes of this subsection", or do or act anything in relation thereto.
