

I thank My Southborough for emphasizing the election on Tuesday, September 4th. Please, Everyone Vote!

While I am a Republican, I believe voters in the fifth district will find my positions to be moderate. Ten positions are succinctly stated on my campaign literature and easily viewed on my campaign's website, KuchnirForCongress. Twenty-five positions not listed elsewhere are appended here.

As I continue to engage my fellow Americans, my understanding expands, my views moderate, and my positions thoughtfully evolve. This process is an ongoing privilege. Thank you, indeed.
