***[Editor's Note:**

- *By law, the police logs omit domestic disturbances, including related arrests. (Which means police can be even busier than they appear to be.)*
- *Radar Assignment is generally used to summarize multiple Vehicle Stops/Citations.*
- *By blog policy, I strip out the names of any individuals listed as arrested.*
- *I edited the log format and some of the original abbreviations to make it easier for blog readers to follow. You can find the SPD's original, unedited logs on Facebook [here](#).]*
