REGISTRATION : SPRING 2021

Northborough-Southborough Girls Lacrosse registration is NOW taking place for the upcoming 2021 Spring season. This is open to girls in both towns in grades K through 8. You will sign up your child based on her grade.

Registration is from NOVEMBER 15 - DECEMBER 31, 2020**

We strive to take every child who registers. However, limitations are purely based on field availability from the towns and the number of coaches who volunteer (head coaches need to know the sport, assistant coaches we will train... please join us!). We maintain team sizes to ensure a positive experience for all of the girls.

Additional information is available on our website: www.nsgl.org.

**** REGISTRATION NOTES:**

Any registrations after 12/31 will incur a late fee.

There will be NO registrations taken after Jan. 10, 2021.
