

# EASTER SCAVENGER HUNT

APRIL 3, 2021 9am-12pm

Read the clues and try to find each of the 7 cut-out bunnies around Southborough! Check off the bunny box as you find each bunny and return this sheet to the Public Safety Building between 11-12 to be entered into a GOLDEN EGG RAFFLE BASKET! Can't make it? No problem! Take a picture of your completed sheet and email it to [kindergrouppraffle@gmail.com](mailto:kindergrouppraffle@gmail.com) by 12pm on April 3rd. (\*Reminder: The scavenger hunt can be completed anytime between 9-12; the LIVE bunny will only be out at the Public Safety Building from 11-12\*)

When you're in grade K and 1, this is where you go,  
You learn to read and write with some of the best teachers that we know.  
Today **Floppy the Bunny** will be right there,  
Because the letter F is something they both share!

SYFS and the Rec Department are housed right here,  
And a great fenced in playground can be found in the rear.  
On the south side of town is where **Peter Rabbit** will be,  
Drive by the horseshoe shaped driveway and you will see!

I need to mail a letter, where might I go?  
Dunkin' Donuts and Stoneybrook are just a stone's throw.  
**Thumper the Bunny** is standing right out front by the door,  
Get there before 12, or he won't be there any more!

This bunny's name is **Brooke**,  
She's at the next place where you will look...  
It's where you can read or check out a book!

Here you can find **Snowball the Bunny** having a great time,  
Swinging, sliding, climbing, by the Town House and the Pilgrim church chime.  
Mostly for the little ones, but we're all kids at heart,  
And, don't forget to drop your pantry donation right inside the cart.

The corner of Routes 85 and 30 is where we have our annual hunting fun,  
Especially when it's warm and we can find eggs in the sun.  
The virus is keeping us all apart this year,  
But **Chocolate the Bunny** will still be there for some scavenger hunting cheer!

From 11-12, the LIVE **Easter Bunny** will be waiting at the last stop you will go,  
A new brick building and big red trucks is what we all know.  
The firefighters and police officers keep us safe in every way,  
Make sure to drive through to give the bunny a wave and a Happy Easter today!
