

# Give Voters Two Choices

## A Petition for Southborough Town Meeting Scheduled for October

- The current Southborough zoning code is illegal in some parts
- The Planning Board proposes only one choice to fix the problem
- Planning Board wants a completely new Zoning bylaw

Major zoning changes everywhere

Increased Development Density

Over one-hundred pages of complicated new zoning bylaw

- This Petition gives voters *an Alternative Choice*

A choice to **Stay with the current zoning** code

And, make it comply with the current State law

Short and simple: Two pages

### Please sign to Give Voters Two Choices at Town Meeting

1. Adopt the Planning Board Rewrite of Our Zoning  
*or*
2. Keep the Zoning we have, but make it legal

## Don't get stuck with only One Choice

Note:

Signing this petition just puts the question before the voters giving them a choice. If you like what the Planning Board is proposing, you can still vote for it at Town Meeting

We are sponsoring this petition because we believe voters should have two choices:
