

# Citizen's Petition for Town Meeting Warrant Article

At least 10 signatures of registered voters are required for an Annual Town Meeting  
At least 100 signatures of registered voters are required for a Special Town Meeting

1. The petitioner will be the Sponsor name listed in the Warrant and should be the first registered voter(s) [as denoted by "\*" in line numbers on page 1] to sign this Petition Form. The first petitioner will be designated the primary speaker in support of the Article at Town Meeting unless the first petitioner informs the Town Moderator prior to the Town Meeting that another designee will be the primary speaker in support of the Article at Town Meeting.
2. The deadline for submission of a petition will be determined by the Board of Selectmen, and will be the final date that the warrant is closed for the first Town Meeting (Annual or Special) to be held after the petition signatures are certified.
3. The language of your article will be voted at Town Meeting EXACTLY as worded in your submission.
4. Warrant article language must be repeated at the top of all signature pages submitted.
5. In accordance with M.G.L. c. 39 Section 10, the written requests of registered voters for insertion of subjects in town meeting warrants shall not be valid unless the required number of registered voters not only sign their names but also state their residence, with street and number, if any. The Selectmen shall submit such written requests to the Town Clerk/Registrars of Voters who shall check and forthwith certify the number of signatures so checked and certified shall be counted.

The undersigned registered voters of the Town of Southborough, Massachusetts hereby request that the following warrant article be placed on the next Town Meeting Warrant (Annual or Special, whichever occurs first):

**"To see if the Town of Southborough will vote to (state your request)**

We hereby request that the Town of Southborough send a letter of concern on behalf of residents requesting that the FCC address the 2021 Court's ruling that the FCC must justify its decision-making process regarding its decision not to update its 1996 exposure guidelines. We request that efforts be pursued to address the federal regulatory gap, so that the town and the Commonwealth are not misinformed in approving infrastructure on the basis of 1996 guidelines, thereby potentially endangering both the public and the natural environment.

We also ask that the town officials write to Massachusetts' elected state and federal officials and agencies to request that the elected officials and agencies take action to minimize future economic, environmental, safety, and social risks by addressing the Federal regulatory gap regarding wireless infrastructure, including any radio frequency radiation (RFR) emitting infrastructure being installed proximal to homes, schools, and sensitive environments.

**,or do or act anything in relation thereto." (continue on other side or attach sheet if necessary)**
