ACKNOWLEDGEMENTS

The Class of 2024 would like to express its gratitude to the many individuals responsible for this momentous celebration:

To our parents, family, friends, and peers for their unending love, understanding, guidance, and support, especially during the past four years;

To the Algonquin faculty and staff for sharing their dedication and passion for teaching and for their guidance, support, patience, and encouragement;

To our class advisors, Lorraine Zanini and Elisa Drake, for their commitment to the Class of 2024 throughout our four years, for guiding us towards making responsible decisions, for pushing us to work hard to represent our class, and for always showing kindness and supporting us in everything we attempted and accomplished;

To the administration and superintendent for their constant support of and devotion to the students at Algonquin;

To the guidance counselors and Student Support staff for assisting us on our journey here at Algonquin and preparing us for the road that lies ahead;

To the administrative assistants for their patience, kindness, and hard work;

To the nursing, cafeteria, and maintenance staff for keeping us healthy and well-fed and for providing us with a safe, clean environment in which we could learn and play;

To the Northborough-Southborough Regional School Committee for its support and encouragement;

To the Music Department for preparing and providing graduation musical selections;

To Ethan Wyble and Megan Anderson, whose artwork on this program's front and back covers, respectively, exemplifies our student body's creativity, talent, and playfulness;

To Gillis Landscape and Garden Center for the greenery onstage;

To the Class of 2024 for helping to make us the best graduating class of Algonquin Regional High School.
