

Grafted *Roots* Farms

AT CHESTNUT HILL FARM · A TRUSTEES OF RESERVATIONS PROPERTY · SOUTHBOROUGH, MA

NOW OPEN · 2026 CSA SEASON

A new farm at Chestnut Hill — and we're *growing for you.*

Freddy Pena and **Erik Jewett** are reviving farming at Chestnut Hill Farm with a focused selection of specialty vegetables, gourmet mushrooms, and hydroponic greens — grown using organic practices on conserved Trustees land. One farm stand. Two growers. A shared belief that local food should be *extraordinary*, not just available.
